Discover Learning at the Pointe

Dear Parents/Guardians,

From time to time your child may be in class, on a field trip or part of a school event that involves photography and/or video that may be published. Photos may also be released to the church/school web site and/or local media. We also have several commercials scheduled each year during enrollment. Please take time to review the Media Release Form below and select an appropriate option. If your preference changes during the year, you are responsible for contacting the school and completing a new form.

If you have any questions, please contact the school before signing.
