

# MARCUS POINTE CHRISTIAN SCHOOL

## Registration Information

Dear Parents,

Thank you for considering Marcus Pointe Christian School as an option for your child. In order to complete your application process, we need the following items completed as soon as possible.

1. Please provide the school with a copy of last year's report card, and a copy of the most recent achievement test scores.
2. Any student registering for the first time in a Florida school will need to furnish the school with a "Well Check up" physical examination not more than 1 year old. A Florida Physician must complete this. Also required are the documented records indicating that the child complies with the minimum requirements for immunization according to Florida law. Any kindergarten registration requires both physical examination and immunization records when registering. Students at Marcus Pointe Christian School that have attended a Florida school previous to registration may obtain those records from that school. Marcus Pointe Christian School must have these records before the child can attend.
3. Students registering for Kindergarten (K-5) will need to be five years old on or before **December 31<sup>st</sup>** in order to enroll. Academic records are not necessary except for verification that they have attended a pre-kindergarten program or that they demonstrate school readiness for kindergarten.
4. If your application is accepted, the registration fee and any tuition paid is non-refundable. Applications are not considered without accompanying registration fee.

The above information is essential in securing a place at Marcus Pointe Christian School.

If you have any further questions, please do not hesitate to call us. We will be more than happy to assist you in any way.

In His Service,

June Godfrey  
School Administrator
